Session class schedules and clay class Open Studio schedule can be found on the NWAC website.

NWAC follows the Riverview School district calendar for closures-this includes federal holidays, breaks and inclement weather closures.

Break weeks between sessions are for class make up due to teacher illness, inclement weather or power outages. Due to scheduling constraints, no make up classes are offered due to student illness or travel.

All clay classes run a 10 week schedule to allow two break weeks between sessions for firing and pick up. Teachers will notify parents/students of pick up times during the break weeks by email.
